Special to The Tribune.

BOISE, Sept. 20.—By defeating Spokane today, Boise clinched the pennant of the Pacific National league, placing it out of the reach of the visiting club. The game was characterized by very hard hitting by the locals, the runs being batted in with vigor. Starkell was a little wild and walked several men, this affording the visitors an opportunity to get the runs they needed.

President C. H. Williams of the Spokane Baseball club telegraphed to Manager Roddy offering to divide \$1000 equally among the members of the club if the Spokane team won the pennant this week. The Spokane team would have had to win every game this week to take the pennant, and losing the game today also lost the Indians \$1000. The score:

HIGH SCHOOL ATHLETES.

Youngsters Begin the Year With
Plenty of Enthusiasm.

With plenty of enthusiasm to start with, the High School Athletic association had the first meeting of the year yesterday. The election of officers to fill the vacancies was the chief business transacted. Julian Bamberg was chosen treasurer, Roy Nesheim, Ethelbert Shores and Arthur Smith are the new directors.

The constitution of the association was amended so as to exclude the East Side High school, which is now a separate institution.

Principal Eaton, who was present, made a very encouraging address to the football men, and welcomed the freshmen into the association. There are enough players this year to make up two teams, and Manager Thompson has such material as thinks warrants him in being confident of a good season.
